Re: PM 1613 - Ceramic Heater (permanent)  
(D-815 and D-818)

Dear Charlie:

The Research and Development Patent Committee has recommended pursuing patent coverage on the attached disclosures concerning a ceramic heater.

Dr. S. Deevis believes PM 1569 and PM 1613 might be combined.

After your review, please call to discuss same.

Sincerely,

Charles E. B. Glenn
